

2011 Holiday Open House & Boutique Sponsorship Opportunities

Gain visibility and name recognition for your business when you sponsor Next Door's 2011 Holiday Open House and Boutique. December 13, 14, & 15, Next Door's community office will be magically transformed into Santa's Workshop. Rooms overflowing with brand-new donated gifts for children and moms will welcome Next Door's clients as they shop, with volunteer "Santa's Helpers" helping them choose and then wrap the gifts they have chosen for one another.

Sponsors of this incredible event are invited to an invitation-only kick-off Open House on the evening of December 12. Be a part of this wonderful evening – experience the magic your generosity will help create. Your sponsorship will ensure that Next Door can continue to provide life-saving, life-changing services for domestic violence victims and their kids.
